

Black is the colour

a F G a
Black is the colour of my true love's hair,

her lips are like some roses fair.

 F G E
She has the sweetest smile and the gentlest hands

 F G a
and I love the ground whereon she stands.

I love my love, and well she knows,
I love the ground whereon she goes.
I wish the day, it soon would come,
when she and I could be as one.

I go to the Clyde and I mourn and weep,
for satisfied I never can be.
Then I write her a letter, just a few short lines,
and suffer death a thousand times.
